## **Atheists Can't Be Republicans: If Facts and Evidence Matter** CJ Werleman

Widely known for his hard hitting, no punches held journalism and criticism of religious belief, Werleman comes out with the gloves off, but this time he takes aim at atheist Republicans. *Atheists Can't Be Republicans* exposes the insane economic and social policies of today's Republican Party. Policies that have been proven abjectly false and dangerous, in much the same way religious belief is false and dangerous. Werleman contends that atheists who cling onto modern U.S. conservative ideology are hanging onto ideas that have either been proven mythical at worst or remain unproven at best. If atheists applied the same litmus test to their political ideology as they do to theology, then clearly an atheist cannot be a Republican.
