Bogotá ya no es la misma... su imagen ha cambiado y por eso se hace necesario comprender las fuerzas que han producido dicho cambio. Este libro, Bogotá, el cielo está roto, indaga la relación literatura-ciudad a través del estudio de las prácticas urbanas de los personajes de Opio en las nubes (1992) de Rafael Chaparro Madiedo. El propósito es analizar las experiencias de habitar la ciudad que ellos tienen y las imágenes fruto de esas experiencias, con miras a entender los imaginarios de Bogotá que subyacen en sus páginas. Por ello, se estudia la ciudad de esta novela para explicar cómo la relación entre el narradores y su discurrir por la urbe ayuda a entender las facetas que surgen de la misma, no sólo como representaciones que pretenden describirla, sino como imágenes que la transforman, la modifican y le dan una nueva visión.
