Babies have a lot to say! *My First Baby Signs* introduces ten of the most popular signs and provides parents a place to begin. Once baby waves bye-bye, the possibilities are endless.

Baby signing is easy and natural. Infants and toddlers can learn how to say what they need, what they see, and even what they feel long before their vocal chords are developed enough to let them use actual words. Both books include the most popular signs and provide parents a place to begin 'talking' with their little one from the start. In this revolutionary breakthrough in parent
