Walter Thornbury

The Monarchs of the Main Or, Adventures of the Buccaneers (Complete) Walter Thornbury

I claim for this book, at least originality. But this originality, unfortunately, if it attaches interest to an author's labours, adds also to his responsibilities. The history of the Buccaneers has hitherto remained unwritten. Three or four forgotten volumes contain literally all that is recorded of the wars and conquests of these extraordinary men. Of these volumes two are French, one Dutch, and one in English. The majority of our readers, therefore, it is probable, know nothing more of the freebooters but their name, confound them with the mere pirates of two centuries later, and derive their knowledge of their manners from those dozen lines of the Abbé Reynal, that have been transferred from historian to historian, and from writer to writer, for the last two centuries. The chief records of Buccaneer adventurers are drawn literally from only three books. The first of these is Œxmelin's *Histoire des Aventuriers*. 12mo. Paris, 1688. Œxmelin was a Frenchman, who went out to St. Domingo as a planter's apprentice or engagé, and eventually became surgeon in the Buccaneer fleet—knew Lolonnois, and accompanied Sir Henry Morgan to Panama
