Canine Cuisine: 101 Natural Dog Food & Treat Recipes to Make Your Dog Healthy and Happy (Back-To-Basics) Carlotta Cooper

Dogs have one of the least developed senses of taste of any domesticated animal; if you've ever found your best friend digging around in your garbage, you know just that. But, just because they cannot taste what you feed them does not mean you shouldn't feed them the very best, healthiest food, both for their health and for your own peace of mind. With so many dog food brands on the market and the cost so great between the generic and healthier brands, making such a leap can be a hard step. One of the best alternatives then is to simply create your own dog food, combining only the top, healthiest ingredients possible for your dogs to eat. This book walks you through the seemingly complex process of formulating and making your own dog food so that you can ensure your dog remains as healthy as possible while enjoying some of the best food available for any pet canine. You will learn everything you need to know about dog nutrition to start, including what dogs naturally need to remain healthy, keep their coats shiny, their bodies at the right weight, and their energy levels peaked. You will learn how basic dog nutrition can be applied to essentially any recipe to create a myriad of enjoyable dishes that will save you money and keep your dog healthy. From the right meats to the right amino acids, vitamins, and minerals, each recipe in this book provides a complete set of the right nutrients your dog needs. Dog experts in both nutrition and full body health have been interviewed and have provided their insight into how best to maintain dog health in homemade food. You will subsequently learn how to create and provide various stews and casseroles, gravies and sauces, savory snacks, treats, holiday and party food, and ethnic specialties just for your dog that are fully healthy. In addition, you will learn how to see to any special dietary needs your dog may have to ensure things like allergies, blood sugar concerns, and stomach issues are safely kept under control. For the health of your dog and the integrity of their food, this book provides a complete, detailed examination of how to approach their diet from ingredients to dish.
