Have you ever seen a dinosaur in your backyard? Of course not. But where did they go?

What did a Parasaurolophus sound like? Why did the Spinosaurus have enormous fins along its back? Do you ever wonder what a Tyrannosaurus rex ate for dinner? Perhaps it feasted on freshly caught Maiasaura. Or maybe it preferred slow-roasted Pterodactyl. Scientists aren't sure what a T. rex's meal was like, but they're fairly certain it didn't involve pizza.

There's a lot we don't know about dinosaurs. We may not have all the answers--but laugh your way through this fun-filled book and you'll discover the mysteries!
