Drama Structures: A Practical Handbook for Teachers Cecily O'Neill, Alan Lambert

This is a teacher's manual, providing fifteen developing lesson structures on different themes involving the pupils in a whole range of drama and learning activities. Notes on practical teaching problems and possible developments for each sequence are given on facing pages. Two further sections of the book provide a simple theoretical framework for drama teaching, and consider some key strategies. This book is for both non-specialists and drama teachers who want to develop their work further. It will be of value to all teachers using drama approaches and strategies in the school curriculum.
