Cultivate a Love of Literature...

A streamlined version of Kennedy/Gioia's acclaimed literary anthology, *Literature: An Introduction to Fiction, Poetry, Drama, and Writing, Compact Edition, 8/e* is a book to lead readers beyond the boundaries of self to see the world through the eyes of others. The authors developed this text with two major goals in mind: to introduce college students to the appreciation and experience of literature in its major forms and to develop students' abilities to think critically and communicate effectively through writing. The book is built on the assumption that great literature can enrich and enlarge the lives it touches. Both editors, literary writers themselves, believe that textbooks should be not only informative and accurate but also lively, accessible, and engaging.
