*Mom's Family* is the ingenious planner-meets-wall-calendar that keeps Mom and everyone else in the family organized with pure Boynton panache. The calendar runs a full 17 months, starting with the school year in 2015. The generously proportioned grids—populated by a colorful array of crooning dinosaurs, ballet-loving hippos, cool cows, and high-kicking bunnies—are arranged vertically, with five columns across the top and the days of the month running down the left-hand side. There's space for writing in the comings, goings, and doings of Mom, Dad, and each of the kids, so the whole family's daily schedule is visible with one quick glance. No matter how much is going on, Mom's has it covered.
