## **Prenez Soin de Vous (Take Care of Yourself)** Sophie Calle

Features a stamped pink metallic cover, multiple paper changes, special bound-in booklets, bright green envelopes containing DVDs and even Braille endpapers. In this remarkable artist's book, French conceptual artist/provocateur Sophie Calle presents 107 outside interpretations of a "break-up" email she received from her lover the day he ended their affair. All of the interpreters of Calle's break-up letter were women, and each was asked to analyze the document according to her profession--so that a writer comments on its style, a justice issues judgment, a lawyer defends Calle's ex-lover, a psychoanalyst studies his psychology, a mediator tries to find a path towards reconciliation, a proofreader provides a literal edit of the text, etc. In addition, Calle asked a variety of performers, including Nathalie Dessay, Laurie Anderson and Carla Bruni, among others, to act the letter out. She filmed the singers and actresses and photographed the other contributors, so that each printed interpretation stands alongside at least one riveting image of its author, and some are also accompanied by digital documentation. Sophie Calle's work has been shown at galleries and museums throughout the world, including the Whitney Museum of American Art and The Museum of Modern Art, New York, Tate Modern, London and Paris's Centre Pompidou, which hosted a major retrospective in 2005. In 2007, Calle is representing France at the Venice Biennale.
