Nick Cole sends us on a suspenseful odyssey into the dark heart of post-apocalyptic America in this three-part adventure

Forty years after a devastating thermonuclear Armageddon, mankind has been reduced to salvaging the ruins of a broken world. In a style that's part Hemingway and part Cormac McCarthy's *The Road*, *The Wasteland Saga* chronicles the struggle of the Old Man, his granddaughter, and a mysterious boy as they try to survive the savage lands of this new American Dark Age.

With the words of the Old Man's most prized possession—a copy of Hemingway's classic *The Old Man and the Sea*—echoing across the wasteland, they journey into the unknown through three incredible tales of endurance and adventure in a land ravaged by destruction.

Compiled for the first time in print, *The Wasteland Saga* comprises Nick Cole's novels *The Old Man and the Wasteland*, *The Savage Boy*, and *The Road is a River*.
