Trumpet Lessons: Things We've Learned While Chasing the Trumpet

From ages 8 to 86, trumpet players have contributed little "lessons" they've learned about the trumpet, music and life to this collection. The first edition was fifteen years in the making. Serious, funny, and everything in between, these comments are both entertaining and thought provoking. The contributors are listed in the beginning but only the age at which the "lesson" was learned accompany the comments. It is hoped that more players will email in their own lessons to be included in future editions of this book. Compiled and edited by Rob Roy McGregor, whose 40-year professional career as trumpeter with the West Point Band, the Baltimore Symphony and Los Angeles Philharmonic has been capped by founding Balquhiddy Music and Glen Lyon Books and was the recipient of the International Trumpet Guild's Award of Merit in 2013.
