Ask the Past: Pertinent and Impertinent Advice from Yesteryear Elizabeth P. Archibald

Want to know how to garden with lobsters? How to sober up? Grow a beard? Or simply how to make a perfect omelet? Look no further. Rather, look backward.

Based on the popular blog, *Ask the Past* is full of the wisdom of the ages--as well as the fad diets, zany pickup lines, and bacon Band-Aids of the ages. Drawn from centuries of antique texts by historian and bibliophile Elizabeth P. Archibald, *Ask the Past* offers a delightful array of advice both wise and weird.

Whether it's eighteenth-century bedbug advice (sprinkle bed with gunpowder and let smolder), budget fashion tips of the Middle Ages (save on the clothes, splurge on the purse) or a sixteenth-century primer on seduction (hint: do no pass gas), *Ask the Past* is a wildly entertaining guide to life from the people who lived it first.
