Lyana and Tasi were raised in the hood. They never wanted to be a product of the ghetto, so they made a promise to be different. Lyana defeated the odds and became a doctor, making the best of her life, or so she thought. Tasi, being a big girl all her life, bisexual, and very outspoken, exuded confidence in herself, and wanted to live out her dreams. She became a plus-size model, but fame was not what it was supposed to be; it comes with jealousy, envy, and money-hungry people.

Mex loved living in his parents' spotlight, loved money and respect in the streets. However, Mex wants no part of his family's drug empire, but he might not have a choice with the death of his father. He just wanted to be a hood nigga with money, now that he has found the love of his life, Lyana. He really didn't want any parts because the streets were mean, but the streets also talk. Now, he faces some choices finding out Lyana's dad is the enemy and killed his pops.
