GAY ROMANCE from best selling author **R.P. James**

When it comes to my taste in pizza, I guess you could say I've always been something of a meat lover...

I decide one evening to order up a pizza, in the hopes that my roommate Bryan will stick around and watch the game with me.

He has other plans, though, much to my disappointment, because I've secretly had a crush on him for several years running at this point.

Neither he, nor anyone else for that matter, knows that I'm gay, and this secret knowledge has served for some time as a source of intense unhappiness for me.

Things take a drastic turn, however, when I open the door shirtless to greet the pizza man a few minutes later, suddenly realizing that I can't find my wallet to pay the man.

It's then that he proposes an alternate arrangement for payment, and I end up solving more than one problem at once...

Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing ;-) Enjoy!

A standalone GAY ROMANCE with a happy ending from best selling author R.P. James
