Introductory Statistics Prem S. Mann

Pizza Anyone? Are you a classic pepperoni person? A minimalist (cheese only)? Do your tastes turn toward the exotic, like pineapple and ham? As you will see from the case study on page 44, the most favored pizza topping of 43 per cent of American adults is pepperoni. Now that's a pie chart students can relate to! Prem Mann's Introductory Statistics, Third Edition offers cases students can really sink their teeth into. Throughout the Third Edition the case studies deal with the statistics that shape our lives, cases that are relevant and engaging. Examples and exercises taken from the real world step-by-step explanations that make statistics easier to understand a writing style that is clear and concise these are just some of the features of Mann that students consistently praise. That's why Introductory Statistics remains the most favored statistics text in use in classrooms worldwide! Any Way You Slice it, Mann is The Classroom Favorite!
