This is a story about the adventures of a brave little spider,

Rider On The Storm

In the tropical rainforest the stormy season had begun,

Mrs. Spider searched for shelter for herself and her son.

The weather was quite windy; there was thunder and rain,

In their home under the rocks they'd be warm and dry again.

This is a story about the adventures of a brave little spider,

Which in consistency, determination, perseverance and courage managed to cross a major ocean riding on the back of a shark And managed to return home safely
