God and Charles Dickens: Recovering the Christian Voice of a Classic Author Gary L. Colledge

Charles Dickens's 200th birthday will be celebrated in 2012. Though his writings are now more than 100 years old, many remain in print and are avidly read and studied. Often overlooked--or unknown--are the considerable Christian convictions Dickens held and displayed in his work. This book fills that vacuum by examining Dickens the Christian and showing how Christian beliefs and practices permeate his work.

This historical work is written for pastors, students, and laity alike. Chapters look at Dickens's life and work topically, arguing that Christian faith was front and center in some of what Dickens wrote (such as his children's work *The Life of Our Lord*) and saliently implicit throughout various other characters and plots. Since Dickens's Christian side is rarely considered, Gary Colledge illuminates a fresh angle of Dickens, and the 200th birthday makes it especially timely.
