Jay is alone at his best friend's house, editing his B-Movie horror flick. Well, almost alone – his best friend's nineteen year old sister Sherry is there too. She's bossy, temperamental, and has a smokin' hot body.

Jay lusts after Sherry, but never till today did he realize how horny she was for him. She gets topless and offers Jay the ultimate temptation; twenty minutes to do anything he wants to her, before his best friend and the parents return home.

To add to the dilemma, Jay is getting engaged. Jay has to decide whether to think with his brain, or make the decision with the giant bulge in his pants. The clock is ticking...

This story is told from Jay's point of view, but was written to be enjoyed by both men and women who love erotic short stories. (It's also a comedy.)

WARNING: This 6800+ word story is an erotic college romance. It contains explicit descriptions of consensual sex, including oral and anal.
