True Love Lasts: A guide to healthy relationships for teens and young adults James Wegert

Written by a school counselor who partially messed up his own life and who has seen many others mess up their lives by making bad relationship choices, True Love Lasts communicates in a down-to-earth manner important information about healthy relationships that teens and young adults need to know - with the goal of helping to significantly reduce the number of broken hearts and the divorce rate in our society. Wegert suggests a strong approach to dating as an alternative to the devastating weak approach to dating that's constantly being promoted by the media and our popular culture. This book is very similar to the books Straight Talk About Teen Dating and Straight Talk About Dating except that it has a character emphasis instead of a Christian emphasis.
