In the 19th-century when the Europeans carved up an entire continent for exploitation, Africans won a solitary, shocking, glorious victory against colonialism. Here, nine scholars analyze this unique event, the putative missed opportunities for securing the future integrity of the Ethiopian territory, and the lessons to be learned. Rising above their regional rivalries and local concerns, all facets of this multi-ethnic society pulled together to defeat the Italian invaders who were armed with vastly more sophisticated technology and had the support of all of Europe.
