Cassilda's Song is a collection of weird fiction and horror stories based on the King in Yellow Mythos created by Robert W. Chambers—entirely authored by women. There are no pretenders here. The Daughters of the Yellow Sign, each a titan of unmasked fire in their own right, have parted the curtains. From Hali's deeps and Carcosa's gloomy balconies and Styx-black towers, come their lamentations and rage and the consequences of intrigues and follies born in Oblivion. Run into their embrace. Their carriages wait to take you from shadowed rooms and cobblestones to The Place Where the Black Stars Hang.

The 1895 release of Chambers' best-remembered work of weird fiction was salted with nihilism and ennui, and ripe with derangement, haunting beauty, and eerie torments. Poe's influence was present in the core tales and one could easily argue Chambers may have been influenced by the French Decadents and the disquieting transfigurations of the Symbolists. All this and more can be said of the works collected in this anthology. Carcosa, accursed and ancient, and cloud-misted Lake of Hali are here. The Hyades sing and the cloud waves break in these tales. The authority of Bierce's cosmic horror is here. The talismantic Yellow Sign, and the titular 'hidden' King, and The Imperial Dynasty of America, will influence and alter you, as they have the accounts by these writers. Cassilda and other unreliable narrators, government-sponsored Lethal Chambers, and the many mysteries of the mythical Play, are boldly represented in these tributes to Chambers.

Have you seen the Yellow Sign?
