Love, faults and thoughts Laurence Suckling

'love, faults and thoughts' is a vaguely connected trilogy of novellas that individually can be read in one sitting. Thoughtful, succinct fiction with the ability to draw the reader in, as well as letting them explore their own thoughts. A wonderful book to discover for yourself and pass on, but if further synopsis is required:

'postcards' - Thoughts about his current life and past actions are provoked when the unnamed narrator starts receiving postcards from his ex-girlfriend sarah. but where exactly does that lead?

'come in and know me better man' - Chris Jenkins is on the verge of making a compilation tape for a beautiful woman he's just met. but who is he? and what is it he has to offer?... an interactive novella and thoughtful road trip.

'storytelling' - Do people have angels looking after them? are there such things as coincidences? just how should you feed ducks? the last of the novella trilogy promises more popular culture and a heart warming stab at redemption.
