**Terminal Dawn--Rise of The TAR Squad (Terminal Dawn Universe Saga Book 1)** Shaun Patterson  
“When time and space collide, so do the worlds we know...when there is nothing left to lose, there is still life itself.”-TDU’s official TAGLINE.

Under the Global Union, the race of mankind hurdles towards its apex—that pinnacle of human achievement. They have accomplished much, including having shattered the barriers of time. Now, with the past perpetually kissing the future, imperceptible changes to the timeline have initiated a chain of devastating and unintended consequences.

A movement to abolish time-travel is afoot, but there are formidable opponents to this budding faction, including the very powerful Baldacci Space Corporation.

An intensive political battle ensues and the Global Union is on the verge of voting on legislation that is destined to forever change the course of human history. On the eve of the vote, Global Union senators mysteriously vanish. It is NOT the first time.

The planet advances toward the precipice of implosion from within its very foundations as weather systems and technological failures become exponentially devastating. But those are the least of mankind’s woes. Perched on the edge of Sun’s solar system is an awaiting apocalypse, and it is one of man’s own doing. The human race find themselves with no good options—Perish by the planet’s implosion or face the onslaught of that which sits, panting, knocking at the door of deep space.

There is but one hope...the last hope...they are The TAR Squad.
