About the author:

Joe Hart grew up on a lonely 91 acres of farmland in northern Minnesota and without many playmates or company, began writing when he was 9. His first literary love was Stephen King (and still is) but he has expanded his scope to other influential authors. He published his first poems at age 17 and his first collection of short horror stories at 29. He is currently working on a novel. He lives with his wife and two children in northern Minnesota.

Praise for Joe Hart's LINEAGE:

"Joe Hart's Lineage is a chilling ghost story in the classic mold. Reminiscent of vintage King and yet spun in a voice original and confident enough to suggest great things ahead for its author, you'd do well to get in on the ground floor of what's sure to be an exciting career for this weaver of delectable nightmares."

- Kealan Patrick Burke, Bram Stoker Award-winning author of The Turtle Boy and Kin
