Tourism and Economic Development in Eastern Europe and the Soviet Union Derek R. Hall

As economic and political change accelerates in Eastern Europe and the Soviet Union, this volume adds significantly to our understanding of those aspects of economic change in the area that pertains to tourism. The first of two parts examines the relationship between economic development and tourism, with special emphasis on the analysis of tourist flows and the role of joint ventures and investment. The second part presents detailed, country-by-country studies written by experts in each domain.
