Peace Psychology in the Balkans: Dealing with a Violent Past while Building Peace (Peace Psychology Book Series)

The volume covers the development of peace psychology in the Balkans. The Balkans is a region marked by post-communist and post-conflict transitional turmoil, and this book provides a comprehensive introduction to research in peace psychology in this part of the world, written by scholars primarily working in the Balkan area. It brings together innovative scholarship that examines interdisciplinary aspects of peace psychology researched and written by scholars from Kosovo, Serbia, Bosnia, Bulgaria, Romania, Macedonia, Croatia, and Slovenia as well as presenting research that responds to contemporary global issues by tracking the ways in which peace psychology is developing and implementing in the Balkans.
