Amidst financial debacle, corporate and media spin, try savoring this refreshing dose of ocular Viagra that tells it straight; how we were fed a truckload of empty promises and told it was what freedom tasted like. A passionate visionary points the way to wresting back control of our lives. Not for the faint of heart - highly recommended for all others. "There's the world you've been taught to believe since childhood, and there's a world beyond those blinkered doors. Only one of these is a real choice." The brain is a many-layered splendor, filled with fascinating mind tools, most of which are well underused. Fournier unravels the mysteries of history and mythology, brain science and the pursuit of eternal youth, creative genius and the birth of consciousness. Learning to think for ourselves has never been this enthralling. "Creating a better world for yourself starts with seeing it for what it really is." Uncut and censor free, Sex, Lies & Truth is a breathtaking call to open those 'Eyes Wide Shut'.
