A teen love story full of sweet romance, action, and adventure. One from the hard streets. the other from safe suburbia. They must work together to save a young girl from making a terrible mistake.

Austin is doing everything possible to avoid being pulled into the system. The system isn't nice to sixteen year old runaways. Casey will do anything to save her friend but her safe, easy suburban life hasn't prepared her for the harsh inner city. It is only by working together that these two might be able to succeed. Falling in love would be an added bonus.
