John Ryan Duncan

The Magic Never Ends The Life And Works Of C.S. Lewis John Ryan Duncan

Even more than 30 years after his death, C.S. Lewis still remains widely read and extremely popular to both children and adults alike. His writings are imitated, quoted, studied, and revered. With a body of work spanning from science fiction to religious philosophy, he is considered by most scholars to be one of the greatest religious writers of the twentieth century and is often heralded as the "Theologian for Everyman," bringing struggles of faith and meaning to the forefront of American culture. But surprisingly, his life story has never been made into a documentary for American television. Now W Publishing Group is proud to introduce the biography of C.S. Lewis as the companion book to the first North American documentary ever produced on the life of C.S. Lewis.
