#### **Tracy Cluck:**

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Lean In can make you really feel more interested to read.
