Nocturnal (Frostbitten) (Volume 1) Ilia Bera

Sometimes, if you sit back and simply watch the world around you, you will realize that our seemingly insignificant lives are actually part of an epic tale, unfolding right before our eyes. It is the coldest winter in recent history, and the little northern town of Snowbrooke has become silent after a grizzly string of "vampire-like" murders. During those cold, quiet and dark nights, the lives of five young students become an intertwined mosaic of love, secrecy and tragedy, after fate brings them together at a late-night upgrading class. Deep beneath their guarded exteriors, each of the seemingly normal students is hiding something-- Dark secrets and tragic pasts. The young students quickly find themselves stumbling through the minefield of late-adolescence as dark secrets are revealed, tender hearts are crushed, and powerful friendships are formed. *Nocturnal is a tale of romance, mystery, friendship, sex, adventure, and tragedy. No one is who they seem, and no one is insignificant.*
