Workbook Edition - Leadership is not positional, it's personal. Having good life skills will make you a good person. Being aware of and maintaining your life skills will make you a role model. Using your life skills to influence others will make you a leader. Empowering others to do the same will make you a great leader. We need leaders in every level of society, not just in management and business positions. Personal and Leadership Development will definitely make better bosses, but it will also make better staff, better parents, better spouses, better friends etc. Personal and Leadership Development - The Foundations for Continuous Growth looks at four foundational stages to being a great leader in your sphere of influence. Once you start reading and practicing these stages you won't be able to resist helping others to develop too. Everyone can benefit from personal and leadership development.
