**Allison Morales:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library as well as to

make summary for some publication, they are complained. Just little students that has reading's internal or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country.
