When I Grow Up I Want to Be 60 Wendy Reid Crisp

Wendy Reid Crisp, author of the spirited declaration-of-independence *100 Things I'm Not Going to Do Now That I'm Over 50*, turns her gimlet eye to the next watershed age for boomers: turning 60.

She celebrates sixty as an age of independence-the independence to love, support, respect, accept, and forgive ourselves and others. In her wry, inimitable style, Crisp explores the fun, invaluable life-lessons sixty-somethings need to know-because sixty has never been like this!
