## Caught on Camera serial:

*Lights. Camera. Action. The life of an international porn star might be glamorous, satisfying and well paid but it's also hard work—very hard—in every sense of the word!*

*So it's just as well Reece Carter is up for the job and has the sexiest co-star imaginable, Cade Davenport. They're the hot new stars of GP Productions latest blockbuster, Slippery Slots, set in Las Vegas, and they can't wait to get naked and get started.*

*With scripts to learn, wardrobe to contend with and a whole host of new experiences to look forward to, Reece takes the bull by the horns and jumps on for the ride. What he doesn't bargain on, though, is finding love alongside his fat pay cheque.*

*But is the feeling mutual? And what happens when a cowboy, a box of intriguing props and a trip to a BDSM dungeon gets thrown into the scene?*

*Can Reece handle the heat? Is he really capable of performing before an audience? And will Cade be there when he needs him most?*

### Book Four in the Caught on Camera serial

*A bag of surprise props brings new spice to Reece's life, but how does he feel about so many 'firsts' in public?*

The filming of porn movie Slippery Slots is reaching its grand climax. Reece has stretched himself in the role of Timothy and given over to lust and desire in front of the camera many times. But when a host of new toys, including a flogger, are delivered as props for the final scene, he finds himself wondering if he's hit the limits of his sexual, on-screen capabilities.

He must go to Odin's Raven, a BDSM club in the backstreets of Las Vegas, and be strung up on a cross, naked for all to see. Now instead of a faceless audience, real people will be there to watch him flogged,

whipped and bugged. He has to hold in his cries and gasps as he learns the beauty of pain mixing with pleasure. Can he do it? Will pain be pleasurable?

There is only one man he trusts for the job. One person who knows what Reece wants and needs, and how far he can be pushed. That person is Cade, the man Reece is falling for with every beat of his heart.

But will the beating finish Reece off or send him to that foggy, mindless sub-space of ecstasy? Only time will tell and everyone will be witness to the result. He has no place to hide.
