U.S. Army Signals Intelligence in World War II: A Documentary History

U.S. Army Signals Intelligence in World War II: A Documentary History

Much of the intelligence obtained by the United States during World War II came from intercepting and deciphering the most secret communications of adversaries. For many years security considerations prevented any public mention of these successes in official histories. Now, much of the story can at last be told.

Book includes 16 pages of added pictures plus a complete added personality index of all names mentioned in the text.
