**From the bestselling authors of *Black Mass* comes the definitive biography of Whitey Bulger, the most brutal and sadistic crime boss since Al Capone.**

Drawing on a trove of sealed files and previously classified material, *Whitey* digs deep into the mind of James J. "Whitey" Bulger, the crime boss and killer who brought the FBI to its knees. He is an American original --a psychopath who fostered a following with a frightening mix of terror, deadly intimidation and the deft touch of a politician who often helped a family in need meet their monthly rent. But the history shows that despite the early false myths portraying him as a Robin Hood figure, Whitey was a supreme narcissist, and everything--every interaction with family and his politician brother Bill Bulger, with underworld cohorts, with law enforcement, with his South Boston neighbors, and with his victims--was always about him. In an Irish-American neighborhood where loyalty has always been rule one, the Bulger brand was loyalty to oneself.

*Whitey* deconstructs Bulger's insatiable hunger for power and control. Building on their years of reporting and uncovering new Bulger family records, letters and prison files, Dick Lehr and Gerard O'Neill examine and reveal the factors and forces that created the monster. It's a deeply rendered portrait of evil that spans nearly a century, taking Whitey from the streets of his boyhood Southie in the 1940s to his cell in Alcatraz in the 1950s to his cunning, corrupt pact with the FBI in the 1970s and, finally, to Santa Monica, California where for fifteen years he was hiding in plain sight as one of the FBI's Ten Most Wanted. In a lifetime of crime and murder that ended with his arrest in June 2011, Whitey Bulger became one of the most powerful and deadly crime bosses of the twentieth century. This is his story.
