A World Full of Women Martha C. Ward, Monica D. Edelstein

Takes a cross-cultural approach to the study of women

A World Full of Women, 6/e, combines descriptive ethnography, gender theory, and international statistics to present a comprehensive picture of the lives of women. Readers will better comprehend and contextualize women's issues and experiences in today's world. This title explores the diversity of women's lives from class to culture, with examples ranging from women's work to marriage patterns, health issues, violence against women, and grassroots organizing.
