Being There

Jerzy Kosinski

Being There Jerzy Kosinski

A modern classic now available from Grove Press, *Being There* is one of the most popular and significant works from a writer of international stature. It is the story of Chauncey Gardiner - Chance, an enigmatic but distinguished man who emerges from nowhere to become an heir to the throne of a Wall Street tycoon, a presidential policy adviser, and a media icon. Truly "a man without qualities," Chance's straightforward responses to popular concerns are heralded as visionary. But though everyone is quoting him, no one is sure what he's really saying. And filling in the blanks in his background proves impossible. *Being There* is a brilliantly satiric look at the unreality of American media culture that is, if anything, more trenchant now than ever.

From reader reviews:

Gary McKinney:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book Being There. All type of book could you see on many solutions. You can look for the internet solutions or other social media.

Irving Carlin:

Here thing why this particular Being There are different and trustworthy to be yours. First of all reading through a book is good but it really depends in the content from it which is the content is as delicious as food or not. Being There giving you information deeper and different ways, you can find any e-book out there but there is no publication that similar with Being There. It gives you thrill studying journey, its open up your own personal eyes about the thing this happened in the world which is probably can be happened around you. It is possible to bring everywhere like in area, café, or even in your technique home by train. If you are having difficulties in bringing the published book maybe the form of Being There in e-book can be your alternate.

Barbara Rubio:

Reading a e-book can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a book will give you a lot of new details. When you read a publication you will get new information mainly because book is one of a number of ways to share the information or even their idea. Second, reading a book will make anyone more imaginative. When you examining a book especially fictional book the author will bring one to imagine the story how the figures do it anything. Third, you can share your knowledge to other individuals. When you read this Being There, it is possible to tells your family, friends as well as soon about yours book. Your knowledge can inspire the mediocre, make them reading a e-book.

Bonnie Vassallo:

The book with title Being There has lot of information that you can discover it. You can get a lot of advantage after read this book. This kind of book exist new know-how the information that exist in this book represented the condition of the world today. That is important to yo7u to learn how the improvement of the world. This particular book will bring you throughout new era of the syndication. You can read the e-book on the smart phone, so you can read it anywhere you want.
