**Mescalito** Hunter S. Thompson

Capturing the essence of Hunter S. Thompson's "Gonzo" style, short story *Mescalito* details his dark and miserably comic first mescaline drug trip. First published in *Songs of the Doomed*, *Mescalito* suggests the nascent ideas and energy of Thompson's seminal work on the '60s experience, *Fear and Loathing in Las Vegas*.

"We live in a jungle of pending disasters," the author warns. Alone in a hotel room in Los Angeles in February, 1969, Thompson's alter-ego Duke sustains a fever-pitched bout of paranoia so dark and depraved, it would make most mortals run fast?and far?from this kind of suicidal experimentation.
