This book is for students who have learned English as a second (or third, or fourth) language and are studying at an institution where English is the medium of instruction. Each of the book's 10 chapters focuses on a reproduced academic article on an aspect of English for academic purposes. Therefore, students can learn about language skills from the articles themselves, as well as develop those skills in the activities and tasks which follow. A companion website features a collection of articles from a variety of different sources related to the topics in each of the book's 10 articles.
