MySearchLab provides students with a complete understanding of the research process so they can complete research projects confidently and efficiently. Students and instructors with an internet connection can visit [www.MySearchLab.com](http://www.MySearchLab.com) and receive immediate access to thousands of full articles from the EBSCO ContentSelect database. In addition, MySearchLab offers extensive content on the research process itself—including tips on how to navigate and maximize time in the campus library, a step-by-step guide on writing a research paper, and instructions on how to finish an academic assignment with endnotes and bibliography.

Presenting key selections from an array of original sources and a wide range of ideological visions, *Ideals and Ideologies* puts students directly in touch with the thinkers and the ideas that have shaped our world.

This new edition of Ball & Dagger's celebrated reader includes a generous sampling of key thinkers across the various traditions, presented within the intellectual and political context in which the thinkers thought and wrote. This reader is organized to work seamlessly with its companion textbook, *Political Ideologies and the Democratic Ideal*, providing rigorous, comprehensive coverage of political ideologies and modern political thought.
