The past can shape us ...

Jenna Fitzgerald's beliefs have become her truths.

She's discovered that it's easier to stay away from love than it is to try and deal with the loss of it. She doesn't want a relationship and she has no plans to fall in love. But falling into bed with a guy ...

Well, that's a different story.

Nate Campbell's rules have been set.

He's learned that it's important to really get to know a girl before you move forward. He's not looking for something simple and easy. He's looking for something real.

And he won't give up until he finds it.

But what Jenna and Nate soon realize is that love is truth. And it doesn't always follow the rules. Sometimes you don't get to choose who you fall for.

Sometimes you don't get to choose whether you fall at all ...
