Rise to Power (The David Chronicles) (Volume 1) Uvi Poznansky

Here is the story of David as you have never heard it before: from the king himself, telling the unofficial version, the one he never allowed his court scribes to recount. In his mind, history is written to praise the victorious—but at the last stretch of his illustrious life, he feels an irresistible urge to tell the truth. In the first volume, *Rise to Power*, David gives you a fascinating account of his early years, culminating with a tribal coronation. Rooted in ancient lore, this is a surprisingly modern memoir.

In an era of cruelty, when destroying the enemy is deemed a sacred directive, the slayer of Goliath finds a way to become larger than life. His search for a path to power leads him in ways that are, at times, scandalous. Notorious for his contradictions, David is seen by others as a gifted court entertainer, a successful captain in Saul's army, a cunning fugitive, a traitor leading a gang of felons, and a ruthless raider of neighboring towns who leaves no witnesses behind.

How does he see himself, during this first phase of his life? With his hands stained with blood, can he find an inner balance between conflicting drives: his ambition for the crown, his determination to survive the conflict with Saul, and his longing for purity, for a touch of the divine, as expressed so lyrically in his psalms and music?

If you want to buy the e-book, you can wide open their official web-site and order it. Have a nice examine.

Jason Wahl:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Rise to Power (The David Chronicles) (Volume 1) can make you sense more interested to read.
