## **The Golden Madonna** Malcolm Mahr

On July 29th, 1715, the ill-fated Spanish treasure fleet of King Philip V left Cuba and sailed into history. While navigating the Florida Straits, the armada was struck by a hurricane. All eleven galleons were destroyed. Millions in gold, silver, and jewelry were scattered on the reefs and sands off the Florida coast. More than 700 people perished in one of the worst sea disasters of all time. Over the years treasure salvagers swapped tales of sunken fortunes. One story dealt with a life-sized gold statue of a Madonna and Christ Child. Ex FBI agent Frank Fernandez is called upon to investigate the murder of two treasure hunters who were searching for the Golden Madonna.

### From reader reviews:

#### Scott Ridgway:

Do you have favorite book? For those who have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each publication has different aim as well as goal; it means that e-book has different type. Some people experience enjoy to spend their the perfect time to read a book. They can be reading whatever they take because their hobby will be reading a book. Why not the person who don't like studying a book? Sometime, man feel need book if they found difficult problem as well as exercise. Well, probably you will need this The Golden Madonna.

#### Jacqueline Bull:

What do you with regards to book? It is not important together with you? Or just adding material when you really need something to explain what the one you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question since just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this particular The Golden Madonna to read.

#### Karen Wells:

Nowadays reading books become more than want or need but also work as a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The details you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one using theme for entertaining such as comic or novel. The particular The Golden Madonna is kind of guide which is giving the reader unforeseen experience.

#### Bryan Lewis:

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Having book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Many author can inspire their particular reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this The Golden Madonna.
