The author of the highly popular *Jewish Way in Death and Mourning* and *Jewish Way in Love and Marriage* offers us a work designed expressly for non-Jews who are contemplating converting, for those who have already converted, and for Jews by birth who wish to gain deeper insight into their heritage. *Becoming a Jew* describes the odyssey of the convert and charts the traditional approach to conversion. Written in a crisp, contemporary style, this volume addresses questions converts frequently have relating to the procedures of conversion. An invaluable contribution.
