LOSS of TOILET PRIVILEGES,

Here is as much of the story descriptions as could be fit in the space allowed:

Cheating Enema Punishment

When caught in a compromising position with her husband's brother, the beautiful, strong and willful Hanna learns that her husband's family has an unusual tradition. Given an ultimatum, she must chose between allowing her marriage to end or agreeing to a life which includes domestic discipline—starting immediately. It is a decision that has her bottom thoroughly heated with a belt while bent naked over her husband's knee while the object of her desires watches her receive the first punishment of her life. But, her husband is thorough and it doesn't stop there. Her humiliation continues when she is filled with an enema followed by a

good, stiff, bent over reminder of who is her husband.

Angel's Enema Humiliation

Determined to follow through on his war-time buddy's one request to keep his sister safe, Trevor stalks down the beautiful Angel to teach her a lesson about sneaking out in the middle of the night. Tracking her down in a night club, he pulls her into the men's room for a thorough hand-on-butt time out followed by a very messy and extremely humiliating milk and molasses enema. The complete humiliation that happens next ensures that Angel will never try to lose herself to fun and debauchery at this particular night club ever again.

Enema Fixed Crime

Down to her last few dollars, cute-as-a-button and nearly-homeless Mandy just wants to get a few paints so that she can further her career as a starving artist. She thinks that there's no harm in pocketing a few art supplies until she gets caught by the owners adonis nephew, Brant, who is home from college.

Before the incredibly muscular and sexy Brant broke up with his cheating girlfriend, she introduced him to an unusual kink, one that he now misses. When the pixie-like Mandy offers to do "anything" to avoid having the cops called on her petty thievery, a twinkle of hope fills him that he might finally get the chance to express his needs with a receptive, albeit reluctant, new partner.

Enema Fed

The good looking, athletic and wildly popular Kevin has been in love with his not-so-popular, sweetly chubby and virginal next door neighbor Miranda for several years. When Miranda starts abusing herself with an eating disorder in a desperate attempt at losing weight, Kevin steps in with a warm hand to her bottom plus the introduction of her pureed dinner to her bowels via an old fashioned enema. With her on all fours, her spanked bottom in the air and her belly full of the food she refused at dinner, Kevin does the only thing left to do—he fills her with the part of himself that has ached to feel her touch for far too long. The result is a shared moment of healing and confessions of love.

Jessica's Punishment Enema

Jessica's been a naughty girl. She promised her new husband, Collin, that she wouldn't run up debt and then she went on a sho
