*The Ipcress File* was a debut sensation. Here in the second "Secret File," diving, drug trafficking, and blackmail all come together in a compelling story in which the dead hand of a long-defeated Germany reaches out to Portugal, London and Marrakech--and to all the neo-Nazis of today's Europe.

The story as powerful today as ever, and the returning hero from *The Ipcress File* remains just as compelling as before. But now, he must now draw on all his resources when he's plunged into a story of murder, betrayal, and greed that's every bit as murky as the waters off the coast of Portugal, where the answers lie buried.
