Marcel Proust

**In Search of Lost Time, Vol. II: Within a Budding Grove (Modern Library Classics) (v. 2)** Marcel Proust

First published in 1919, *Within a Budding Grove* was awarded the Prix Goncourt, bringing the author immediate fame. In this second volume of *In Search of Lost Time*, the narrator turns from the childhood reminiscences of *Swann's Way* to memories of his adolescence. Having gradually become indifferent to Swann's daughter Gilberte, the narrator visits the seaside resort of Balbec with his grandmother and meets a new object of attention—Albertine, “a girl with brilliant, laughing eyes and plump, matt cheeks.”

For this authoritative English-language edition, D. J. Enright has revised the late Terence Kilmartin's acclaimed reworking of C. K. Scott Moncrieff's translation to take into account the new definitive French editions of *À la recherche du temps perdu* (the final volume of these new editions was published by the Bibliothèque de la Pléiade in 1989).
